Fixed Sweeps

Fixed sweeps, provide an air and water tight seal proven to out-perform most other sill and sweep systems.

Fixed sweeps are aesthetically preferred over adjustable sweeps as they are hidden under the door.

Heavy Duty Kerf Mounted Double Bubble

Features:

- ▶ **Double Bubble** seal increases contact with threshold for no air or water infiltration.
- ▶ **Heavy Duty** sweep for superior quality.
- ▶ Drip edge diverts water away from entrance.
- ▶ Kerf dimension fits all standard steel and fiberglass doors.
- ▶ Pre-notched to fit all steel and fiberglass door bottom rails.
- ▶ In stock in brown, beige and black.
- ▶ Standard sizes: 31 3/4", 33 3/4", 35 3/4" & 41 3/4".
- ▶ Packaged 50 sweeps/box; 1,000 sweeps/skid
