

Clear Anodized Self Draining Sills

- **Self Draining sill cap** restricts water infiltration by draining water out the exterior weep holes.
- **Clear Anodized** aluminum finish.
- White/Grey vinyl threshold cap.
- Available in 4 5/8", 5 1/4", 6 5/8", or 7 1/4" widths.
- 2" x 146" sill extension is available.
- Can be used for outswing doors systems by changing the self draining cap to an outswing cap.

4 5/8" Inswing	
Length	Part #
