

## Brickmould Cladding Corners

***The brilliant, yet simple solution to mitered corners!***

### **Features:**

- ▶ Fits over the corner of vinyl brickmould cladding and ensures perfect corners 100% of the time.
- ▶ Made from tough ABS injected moulded plastic - will not distort, even when painted dark colours.
- ▶ Tapered edges provide a smooth visual transition to the cladding.
- ▶ White 141 Colour matches polytex steel doors.
- ▶ **Other colours in stock:** almond, canyon clay, café wicker, storm grey and sandstone.
- ▶ **Custom colours are available** - minimum order of 2000 pieces/custom colour.
- ▶ UV Stabilized and will not fade or discolour.
- ▶ Packaged 500 pieces/ box.
