

Threshold Protection Tape

Ideal for protecting thresholds, and aluminum or vinyl clad door and window trim. Durable PVC tape for long lasting protection without the problems associated with conventional (duct) tapes.

- Easy to use, durable PVC tape for long lasting protection.
- Will not leave any adhesive residue after removal.
- Much tougher than conventional masking.
- Can also be used to protect vinyl or aluminum cladding on the job site.
- 108' per roll.
- Sizes: 2", 3", 6" or 12" widths.

| Width | Part # |
|-------|------------|
| 2" | THR-TAPE2 |
| 3" | THR-TAPE3 |
| 6" | THR-TAPE6 |
| 12" | THR-TAPE12 |
