

TPE Weather Stripping

TPE magnetic weather stripping adheres tightly to steel door panels preventing air and water infiltration.

Magnetic Seal

Part #:
AB-TPEMWH81
75/box

Compression Seal

Part #:
AB-TPECW81
100/box

Features:

- ▶ Magnetic seal is pulled to the door for a tight seal.
- ▶ Compression seal is for use on hinge jamb.
- ▶ Opaque formulation prevents light from shining through.
- ▶ UV resistant thermoplastic and thermorubber compound.
- ▶ Stable over a wide range of temperatures.
- ▶ Stocked in WHITE, 81". Beige, brown or black and additional lengths available by special order. Please contact Aribell for lead times.
