

## **ABTR-TSP3/32 & ABTR-TSP1/8** **Margin / Trim Spacers**

Remove protective adhesive strip covering and slip spacer between door and jamb in four recommended locations shown in illustration.

- Helps maintain perfect reveal around the door during storing and shipping. Can be left in place through the installation process.
- Easily removed when door is opened without leaving sticky residue.
- Available in both 3/32" and 1/8" widths

**ABTR-TSP 5,000 / Box**
