

ABTR-DF2

TWO-PIECE DOORFAST CLOSURE BOLT

Easy to install and remove

Thumbwheel and wing nut type feature for easy manual tightening and removal

ABTR-DF2 1,000 / Box

set to aid installation and ensure an equal number of matching parts supplied in each box.

This Two-piece Closure Bolt is for 2 3/8" and 2 3/4" backset doors with jambs up to 1 1/4" thick, right or left hand swing. It can be used on **interior** doors and **exterior** doors to eliminate sag and to secure the door from manufacture through installation.

The DF2 Closure requires a 1" diameter or a 3/4" X 1" rectangular hole through the jamb. The two parts are supplied in a connected

- A proprietary ratcheting feature reduces the chance of vibrating loose during shipment.
- The barrel section **can be left in place** for alignment during installation or during construction to act as a temporary latch until hardware is installed. The barrel can also be used to stabilize double and sidelight doors.
