

ABTR-DF4

Lightning Bolt

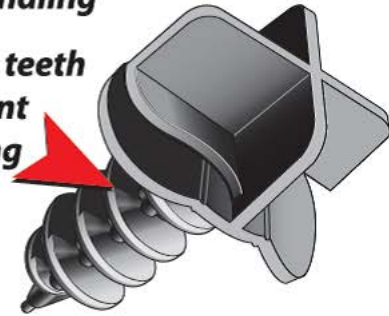

TWO-PIECE CLOSURE

This Two-Piece Closure Bolt is for 2 3/8" backset doors with jambs up to 1" thick, right or left hand swing. It can be used on **interior** doors and **exterior** doors to eliminate sag and to secure the door from manufacture through installation.

The DF4 Closure requires a 1" diameter or a 3/4" X 1" rectangular hole through the jamb. The two parts are supplied in a connected set to aid installation and ensure an equal number of matching parts supplied in each box.

- **Bigger head for easy handling**

- **Anti-slip teeth to prevent loosening**

- **Double-Helix Threads**

- **Less than a full turn to secure!**

- A proprietary ratcheting feature reduces any chance of vibrating loose during shipment.
