## Aibell **Bottom Skid & Frame Guard**

This Bottom Skid protects door frame bottoms when handling.

- More economical than wood bracing
- Doors slide easier when handling
- Prevents damage prior to installation
- Easy to attach to frames with staples or screws
- Raises door over ½" off the floor
- Heavy duty version for use with larger systems

**ABTR-BSFG-L:** Bottom Skid & Frame Guard (packaged 500 pcs/box)

**ABTR-BSFG-H:** Heavy Duty Bottom Skid & Frame Guard (packaged 450 pcs/box)
