

**Secure-It-Fast**  
Protective Packaging Solutions

## Aribell **Bottom Slide**

The Bottom Slide can be attached to the center of a window or door system to prevent sagging on heavy systems.

- More economical than wood skids
- Windows & doors slide easier when handling
- Protects door & window bottoms when handling
- Helps prevent damage prior to installation
- Raises door over 1/2" off the floor
- Easy to attach with staples or screws
- No Frame Protection
