

Door Lites

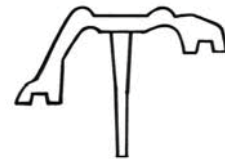

Commodity Door Lites

Commodity door lites are stocked with clear glass and flat 5/8" internal grills, with or without Low E.

New Flat Profile (Elite MF) frame is standard for most glass.

New Elite MF Frame

▶ **Stronger than traditional frames and will not wave.**

▶ **Flat Profile - easier to install screw plugs.**

▶ White matched Polytex Steel Doors.
▶ Pre-applied foam adhesive allows easier removal of frame from glass and creates air and water tight seal.

▶ Maintenance Free Polypropylene:
No need to paint.

Glass Features:

- ▶ All Glass is tempered.
- ▶ Low-E Glass in stock in most sizes.
- ▶ 5/8" Flat White Internal Grills are in stock.
- ▶ Privacy (glue chip) glass available by special order.
- ▶ Colonial (contoured) grills, beige grills and narrow 5/16" grills and wide (7/8") grills, and prairie grills are available by special order.
- ▶ Glass with traditional contoured door lite frame available by special order.

Traditional Contoured Frame

Traditional frames are the most economical door lite frame that is still maintenance free.
