

**Aribell**  
*The Leader in Door & Window Components*

## **Foam Magnetic Weather Stripping**

Foam magnetic weather stripping combines the benefits of a foam compression seal with the benefits of a magnetic seal, for better protection from air and water infiltration.

### **Features:**

- Magnetic seal adheres tightly to steel doors preventing air and water infiltration.
- Foam compression feature accomodates movement of the door panel while still maintaing a tight seal.

**- Aribell's product is PRE-NOTCHED for a tight seal at the top corners.**
